Dear Mieke;

Just because you haven't heard from me doesn't mean that I am not concerned. Like you and everyone in the Deaf community I believe we deaf actors should play our own roles. After reading the strong letter from the playwright, Mark Medoff, I feel there isn't much more I can say that he didn't already cover. Mark is terrific.... he has done it again and again for us.

Keep me informed as you go. Wishing you all the luck and success.

Sincerely,
Phyllis Frelich
